

VERTICOM is driven by your success!

VERTICOM partners with wireless carriers, cable firms, fiber companies, tower & building owners, equipment manufacturers, municipalities and outsourcing firms to design, develop and maintain the broadband networks of the future. We are solution architects with the turnkey in-house capabilities to build and maintain what we engineer.

At VERTICOM, we pride ourselves on having a team-based culture and we understand our people are our most valuable asset. A team-based culture allows us to engage everyone's unique talents and perspectives, while thriving on the ability to bring big picture ideas and contributions to the forefront.

VERTICOM offers a competitive compensation package, benefits and significant opportunity for professional growth in the rapidly expanding wireless telecommunications industry. As an innovative industry leader, we can offer you top benefits including:

- Quarterly cash bonuses based on company, department, team and individual performance
- Cash bonuses for employee referrals
- 401(k) Retirement Program
- Medical, Dental and Vision insurance
- Paid vacation, holiday and personal days
- Cash prizes for Crew Reward Programs.
- Great team environment.

We welcome anyone who believes cultural fit and core value alignment are essential to your professional growth and development, as well as success of the company. If success motivates you, you belong at VERTICOM.

Please submit your resume online to: <mailto:careers@verticom.net> . No phone calls please.

We have Regional Operating Centers located throughout the Central United States with careers available in each of the following departments or service lines.
